

2004 - #2 - Key Ideas & Questions: Strategy and Model - Faye Brownlie

Presentation Time: (30:28)

Webcast Description:

Reviews strategies related to improving reading. Faye presents a series of activities that participants work through to practice what they should do with their students to teach Key ideas and Questioning.

1. What is the key idea, what do you wonder about?
2. What are your key ideas and your questions?

She shows how to turn things around so that an intention to learn is created in students. The questioning she uses, causes students to want to read and participate.

She discusses selecting the important passages for use in this exercise 'is that which is worth doing'.

Discusses using short pieces of text for this type of exercise.
