

## **SCHOOL OF CHOICE PROCESS** **2019/20**

All elementary and rural elementary-secondary schools in the School District have a designated “catchment area.” If you wish your child to attend a school that is not their catchment school, a School of Choice application must be submitted.

- 1) Applicants must be registered at their respective catchment school **BEFORE** submitting a School of Choice application (*this is for September start dates only*).
- 2) Application forms may be obtained at all schools, the School District Office or on the School District’s website ([www.sd27.bc.ca](http://www.sd27.bc.ca)). **Parents will assume responsibility for travel and any additional costs incurred by a School of Choice approval.**

**DEADLINE FOR SCHOOL OF  
CHOICE APPLICATIONS**

**March 15, 2019**

If needed, a listing and map of the regular catchment areas is available from the School District Office, from individual schools, or on the District website ([www.sd.27.bc.ca](http://www.sd.27.bc.ca)).

### **French Immersion School – Nesika Elementary School & 100 Mile Elementary School**

New students wishing to register for French Immersion **must complete a School of Choice application IF it is not their regular catchment area school.**

Applications will be **date and time stamped** and forwarded to the School District Office. School of Choice will be granted based on a number of criteria, including available room at the school of choice, the school's ability to accommodate, and other special circumstances that may be relevant.

**Parents and schools will be notified in writing by April 5, 2019 of the School of Choice decisions.**

**If the application is denied, parents may request to be put on a waiting list to be considered by the second week of school in September.**
