

Scout Island Nature Kindergarten

Cariboo-Chilcotin School District No. 27

Nature Kindergarten is a full-day program of choice which takes place at Scout Island Nature Centre. A significant portion of each day will be spent outdoors. Children in the Nature Kindergarten program will:

- Engage in rich educational experiences that meet the BC Kindergarten curricular outcomes in natural settings.
- Discover trails, forested areas and explore aquatic environments.
- Explore local ways of learning and knowing.
- Learn through purposeful exploration and play both outdoors and indoors.
- Participate in safe, supportive daily physical activity and healthy living.
- Foster inquiry skills that facilitate conceptual, cognitive, and language development.
- Experience opportunities that nurture social-emotional learning, self-regulation and positive relationships.
- Learn the importance of caring and respect for nature.

Enrollment will be limited. For detailed program information:

Learning Through Play

Exploring Nature

Caring as a Community

Interested parents need to attend a **MANDATORY** Nature Kindergarten Information Session on Tuesday, Jan. 15, 2019 Scout Island at 6:30 pm OR Thursday, Jan. 17, 2019 at Marie Sharpe Elementary School at 6:30 pm. Parents must attend a session or send a proxy in order to be eligible to register their child for Nature Kindergarten in September 2019.
