Q. What is PAC?

A. PAC stands for Parent Advisory Council and is an important part of our kids' school experience. From coordinating volunteers and planning fundraisers to securing grant monies and sponsoring school and class events/projects, PAC volunteers can help give a much-needed boost to our school's resources. Basically, we sell cupcakes and wrapping paper and other stuff to help pay for extra things that our kids and classes would otherwise do without.

Q. How can I be an active part of PAC?

A. Connect with the 100 Mile Elementary School Parents group on Facebook, contact a member of the executive, ask your child's teacher which other parents are currently serving with PAC, or talk to our hard-working school administration. Meeting times and dates are posted regularly on Facebook as well as the weekly school newsletter which is distributed to your child and/or via email and Facebook. Or just show up. The custodian hardly ever kicks anyone new out.

Q. If I join, will I spend a lot of time in meetings?

A. Probably. We also have plenty of hands-on volunteer opportunities throughout the year if planning, bean-counting, and decision-making are not your things. Attendance at every meeting is not mandatory, although this is how we get the most accomplished. We like to have child care available at meetings as well and try to keep them to around an hour. Okay, an hour and a half. BYO snacks.

***Have a fantastic summer...
See you in September!***
