

The Board of Education of School District No.27 (Cariboo-Chilcotin) recognizes its obligation to provide work environments where individuals are treated with respect and dignity, free from harassment or bullying.

The Human Rights Code prohibits harassment on the basis of race, colour, ancestry, nationality or place of origin, ethnic background, religion, age, sex, gender-determined characteristics, sexual orientation, marital and family status, source of income, political belief and physical or mental disability.

Through this policy, and accompanying administrative procedures, the Board will establish clear guidelines ensuring fair and equitable treatment.
