

The Board of Education of School District No.27 (Cariboo-Chilcotin) will award Evergreen Certificates to recognize the achievement of school completion. The Evergreen Certificate (BC. School Completion Certificate) recognizes the accomplishment of school completion for students with Ministry of Education and Child Care special education designations who have successfully completed their education plan.

The Board of Education is committed to ensuring that processes are in place for students which:

- a. accurately identify students who require modifications to their educational program;
- b. apply appropriate interventions to meet the educational needs; and
- c. communicate accurately and regularly with parents and/or guardians regarding the educational program and progress.

Further, the Board is committed to providing educational programs and services to students which are characterized by inclusionary practices that promote participation and interaction for all students; allows those students to experience success and challenges them to strive toward their maximum potential and are organized to provide equitable access to all areas of the curriculum across the School District.
