

In accordance with the School Act, the Board of Education must provide free of charge an educational program to school age students resident in British Columbia. The Superintendent or Designate will establish school catchment areas and provide direction and oversight to District staff regarding enrollment in accordance with this policy and administrative procedures.

In accordance with the School Act, a person may enroll in an educational program provided by a Board of Education and attend any school in British Columbia if;

- a. the person is of school age;
- b. the person is ordinarily resident in British Columbia; and,
- c. the Board (or designate) providing the educational program determines that space and facilities are available for the person at the school in which the educational program is made available.
