Principal: Mrs. Kristy Davis

We are now into our final month of the school year. It will be a busy time with finishing up our school curriculum and enjoying some fun days as well.

JUMP ROPE FOR HEART

We held our Jump Rope For Heart event on April 26th and a lot of fun was had by all. Students raised a whopping \$698.15! Congratulations to our top fundraisers: Lincoln, Anna and Akira!

TRACK AND FIELD

Our inter-school track and field event will be held on June 13th at 100 Mile Elementary School. Grades four to seven students are busy practicing to compete in the following events: 100 m sprint, 200 m sprint and 800 m run, long jump, standing broad jump (grade 4's), triple jump, high jump, shot put and ball throw (grade 4's). A permission form will be going home soon.

SCHOOL GARDEN

Our school garden has been planted and is doing well! There is an automatic sprinkler set up. Families are encouraged to help maintain the garden over the summer (weeding/making sure water continues to be set up properly). Also, please help yourself to the peas and beans. We will use the root vegetables and squash for a harvest dinner in the fall!

MEALS PROGRAM

We have been very fortunate this year to be able to offer one hot breakfast and one hot lunch every week. We are thankful to the 100 Mile Food Bank and to President's Choice for their support of our meals program. A big thank you goes out to Heather Tregillus and Pam Makortoff for all of their help with our breakfasts over the year! Our final breakfast will be on June 10th and our final lunch will be on June 12th. This will allow us time to use up any remaining food and clean up the kitchen for the summer holiday.

June 12th - tacos

YEAR END BARBEQUE & AWARDS

We will be having a year-end barbeque and awards on June 26th from 5:00 – 8:00 pm. Hamburgers and hot dogs will be provided. Please bring a salad/desert etc. to contribute to the meal. Dinner will be at 5:30 with the awards and slide show beginning at approximately 6:30 pm.

FUN DAY

Monday, June 24th will be our annual fun day. There will be a variety of events in the morning from 8:30 – 11:30 am. Lunch will be from 11:30 – 12:30 pm with a concession available. Hot dogs and freezies will be available for purchase. \$2 for hot dogs and \$1.00 for freezies. In the afternoon, we will be having a water slide, so students will need to bring a bathing suit and towel.

SCHOOL SUPPLIES

We will be ordering school supplies for students for next year as most parents indicated they prefer this option over purchasing their own supplies. \$45 will be charged in September to cover the cost of the supplies (including the planner). If you prefer to purchase your own supplies, please ask for a school supply list. There will also be a supply list posted on our school district website under Lac La Hache School.

WILD SCHOOL GRANT

We are excited to announce that Lac La Hache Elementary School has been selected to become a “Wild School”. This three year grant initiative will support us to incorporate more environmental learning & outdoor experiences in our community.

OUTDOOR CLASSROOM

We have begun to create an outdoor classroom. We have had some stumps donated and the primary students have started debarking the wood. We look forward to continue adding to this outdoor learning space next year.

NEW SCHOOL JERSEYS

Thank you to Antle Towing and to the PAC for supporting our initiative to get new school jerseys for our sporting events. The jerseys will be ordered soon and will be ready for September!

PAC

Thank you to the PAC for supporting many of our sporting and extra-curricular events this year. The time you invest into our school and students is truly appreciated! Next year, the AGM with elections, will be held on Monday, September 23rd at 5:30 pm in the library. We will be losing many members due to their children moving on to grade 8, so we will be seeking new members to fill the gap. Please consider getting involved next year. The PAC usually meets once per month for about an hour.
