

## **MEDIA RELEASE: FEBRUARY 26, 2021**

The District is pleased to announce that Patrick McCarron is the successful candidate for the position of Manager of Facilities & Transportation. He will be replacing Alex Telford who will be retiring on March 31, 2021.

Mr. McCarron joins the District from CN Rail where he has been working for the past 9 years in progressive maintenance and management functions. He brings to the district a diverse work experience both from the private and public sectors. His general areas of interest includes project planning, asset management, occupational health & safety, stakeholder engagement, and management of employees working within a collective agreement.

Mr. McCarron has a Master of Science in Technological & Socio-Economic Planning and holds a broad range of professional certifications. He is passionate about team building, training, and mentorship and currently volunteers as a career mentor through Thompson Rivers University.

In his personal life, Mr. McCarron has been involved in the old timer's hockey league in the Cariboo area and heavily involved in team sports for many years with his family, culminating in team participation opportunities both nationally and internationally.

Mr. McCarron will join the District on March 22, 2021.

On behalf of the District I would like to congratulate Mr. McCarron and wish him success in his new role!
